- Preparation of Form 1.0. If there is a surviving spouse or surviving lineal descendants, then include (i) the name and address of each predeceased child, and (ii) under the name of a predeceased child insert the name and address of that child's lineal descendants. Moreover, you must correctly check one of the boxes toward the bottom of the front page of Form 1.0. Carefully review Geauga Probate Local Rule 78.5(A)(2). Finally, consider whether the Decedent designated an heir at law under R.C. 2105.15, and if so, obtain a certified copy of the court order.

- **Form GC PF 5.9 Report of Distribution** – This form must be prepared and filed with the Court no more than 30 days after appointment as the Commissioner.

(See Geauga Probate Local Rule 58.2(A)).

The applicant should first review the probate information sheet titled “Firearms Law and Probate Concerns,” then the applicant should determine whether the Decedent owned or possessed any (i) Firearms or (ii) Dangerous ordnance as defined by R.C. Federal or state law may regulate the applicant regarding the possession, storage, sale, transport, and the distribution of such probate property to certain beneficiaries, particularly beneficiaries who reside in another state. If the Decedent owned or possessed such probate property and if the applicant does not have an attorney, then it is highly recommended that the applicant obtain legal advice from an attorney who is familiar with such legal issues.
